**Update:**

The broadcast will not be going out today, however our Deputy Assistant Director assured us that the broadcast will definitely go out early next week, as such, the Executives are inclined to push it one week forward... the 16<sup>th</sup> thru the 21<sup>st</sup>... Nonetheless still plan for the dates to be September 9<sup>th</sup> thru the 14<sup>th</sup>... If your teams are lacking targets, the broadcast will contain a ZIP file with hundreds of cases from the National Criminal Alien Targeting Center (NCATC).

- There will be TDY travel funding and overtime funds available. (TDY funding request is attached)
- The number of targets for each Field Office is still being determined...
- Cross Check OMEGA will target aliens who are currently in the United States and in violation of the INA.
- All targets meet requirements under Executive Order issued by President Trump "*Enhancing public safety in the interior of the United States*".

Feel free to call me if you have any questions.

Have a wonderful weekend,
